

THE POWER OF WE

What do we want Unitarian Universalism to be? It is a time when we are asking big questions in our faith, and GA 2019 will be focused on digging into those questions together. It is a critical chance for congregational leaders and passionate UUs to set new goals and aspirations for our religious community. Help begin to reshape our Association and our congregations in new and powerful ways.

This year's theme is about collective power, "The Power of We," as well as the possibility, the purpose, the struggle and the joy of what it means to be together in faithful community. In the past two years, Unitarian Universalism has recommitted to the work of liberation inside and outside our faith community. The antidote to a time of dangerous dehumanization is a love that connects us to our deeper humanity.

Come to Spokane to experience what our shared faith can become when we embrace the Power of We.
